

UFO Bottle Tags (AM)

AM Bottle Protection

These tags offer reliable re-useable protection for high-end alcohol bottles providing visual deterrence, and alarm activation at the exit. They are available in AM technologies and offer the ability to merchandise live bottles with confidence.

This reputable bottle tag is tightly attached to the cap and secures the bottle with an alarming element as well. Soft coating on the wire prevents product damage. The UFO Bottle Tag is removed using a magnetic detacher at the point of sale.
